CAHS Receives Grant

The Cedarville Area Historical Society would like to thank the Freeport Community Foundation for recently awarding us a grant. The grant funding that we received will be used to purchase equipment and support items needed for the development of a more robust social media presence.

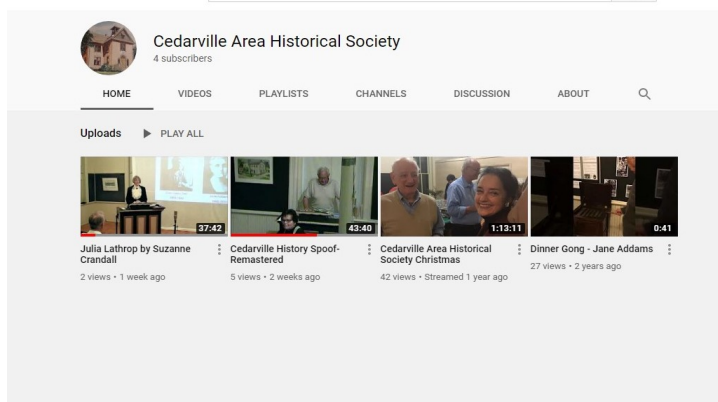

The Freeport Community Foundation is a non-profit, tax exempt organization that is instrumental in providing individuals, businesses and charitable organizations with financial and other assistance. Their team has provided strong leadership and support during the rather challenging year of 2020.

The Historical Society in response to the pandemic has realized an immediate need to provide on line offerings to our membership and public at large. Our leadership has been involved in the development of other FB Live presentations and has experienced the positive impact on the membership of those other entities.

We again thank the Freeport Community Foundation for their ongoing support within the community. For more information about the Foundation, refer to www.freeportcommunityfoundation.org

Programs Available on YouTube

In order to brighten your fall, CAHS will be making available many programs from the last 16 years on YouTube. We already added our very own Cedarville spoof starring our own Society members. Our latest addition, a round table discussion with local artists from May, 2019.

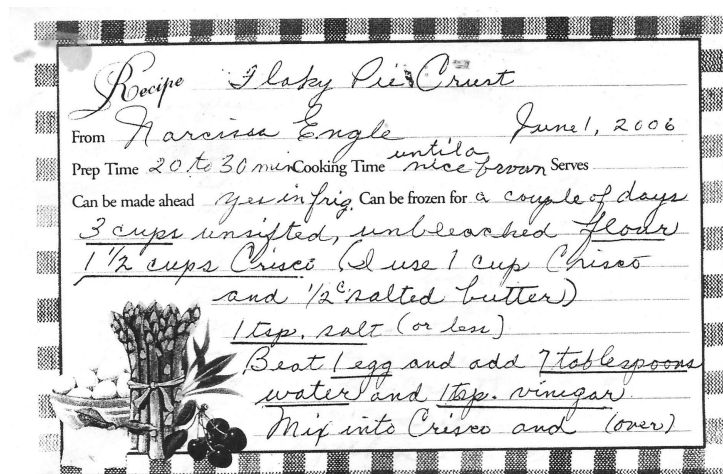

Please go to Youtube and search "Cedarville Area Historical Society" to find us.

Recipe Corner

Narcissa Engle pie crust recipe made famous at the CAHS annual luncheon

flour. This makes
3 shells or two 2-crust
pies.

Please note: I cut the
shortenings into the flour
with a pastry blender or
2 knives.

I spoon the liquid by
tablespoons over flour
mixture and toss with
a fork (as you would any
regular pie crust) until
of proper consistency to
pull together into two
or three dough balls.
(This allows me to use
less of the liquid, and the
dough is less gummy to work
with.) It's worth the
effort.

CEDARVILLE AREA HISTORICAL SOCIETY EXTENDS MEMBERSHIP THROUGH 2021

Each year during October, our President communicates a list of CAHS accomplishments during the year, and asks each of you to consider paying your membership dues (\$25 family, \$15 individual) for the next year. Each year, we also request any special monetary contribution that would help the CAHS continue its work of collecting, communicating, and preserving the history of the Cedarville area. Because of your generosity, each year's special contributions have far exceeded the amount of money received for membership dues!

As you know, due to the health related concerns of the COVID virus, we were not able to open our museum during 2020, so the CAHS Board just doesn't feel right about asking our members to pay membership dues for 2021 during these challenging times. So, you don't need to do a thing. Your membership is automatically renewed for 2021. That said, the expenses of the CAHS such as utilities, insurance, newsletters, etc., continue. If you appreciate what's been done with our ongoing communications, work on the museum building, and on-line program offerings, please consider making any special monetary contribution that you can afford. It will be GREATLY APPRECIATED. Any special contributions should be sent to our mailing address:

Thank you very much.
 Sincerely,
 CAHS Board of Directors
