2022 Season Comes To An End

On Tuesday, September 13th, Rex Sides, current owner of The Blue Room, Scioto Mills shared some of the history and folklore about the building, its owners and frequent attendees of the establishment. This was our last program of the season and we are happy to say we had a full house, with both in person attendees and those watching via Facebook live. A huge thanks to Rex Sides for putting together such an interesting program and also to all of you who attended. If you were unable to attend, the full program is available on our YouTube Channel
